I don't think that Rule

Sub Registrar Tirumalachary from 20 May 1927 has been retired. His eligible superior service amounts to 37 years. The pay he was drawing during the last 5 years of his service was.

Rs. 50 from April 1887 to Oct 1890
Rs. 55 from Oct 1890 to March 92.
& Rs 70 for only 30 days in April 92:

For a period of yrs 4. M. 6. D. 10, when he was Sheristedar of Palhally Jud Assts Court, he was drawing pay at the rate of Rs 80 per mensem. Quoting the ~~precedent~~ cases of Raju Pillé and Narasimha Chary disposed of in Pro: No. 1031-32 & 10 September 1888, as a precedent, Tirumalachari begs that his pension may be calculated at half of 80 Rs = 40 Rs.

The cases of Raju Pillé and Narasimhachary seem to be different from that of Tirumalachar in that the reduction of salary in the former instance was owing to general reduction of Establishments, while in the latter instance, ~~the~~ it was caused by the abolition of a temporary Court. I believe the Palhalli Court was a temporary ~~Court~~ one.

GOVERNMENT OF MYSORE

No. 262. Bangalore 14th June 1892

From

C. Meenakshayya, Esquire,

Barrister-at-Law.

Inspector General of Registration,

Mysore,

To

The Chief Secretary

to the Government of Mysore.

Sir,

I have the honor to submit for the favorable consideration of the Government an application* from N. Veeramalachary, retired Sub Registrar of Mysore, supported by the Mysore† District Registrar for exceptional treatment in the matter of his pension

*Dated 18th May 1892.

†No 66, dated 30th May 1892.

2. It appears from the accompanying Statement of his services marked (1), that he entered Government Service in July 1852, and rose to a salary of 80 Rs. as Shirastédar and Nazir of the Palahally Judicial Assistant Commissioner's Court, on the 10th October 1870 and continued in that appointment, and on that pay, till the 19th April 1875, when that Court was abolished i.e. for a period of nearly 4½ years.—

was appointed Nazir Shiristedar of the Nanjungode Sub Division Office on 50 Rs. and has ever since continued on that salary till 1st October 1890, when as Sub Registrar of Mysore it was raised to 55 Rs. and from 1st April to 30th April 1892 drew 70 Rs. as 1st Grade Sub Registrar.— but, for the abolition of the Palahally Court, he would have continued to draw 80 Rs. a month: he has put up a total — pensionable Service of 37½ years, nearly 17 years of which was, since the abolition of the Palahalli Court—

4. The accompanying Service Register (marked No. 2) shews a record of good and unblemished Services and as a Special instance, considering the hardship of his case in not having, after the reduction of his Salary through no fault of his, been given an appointment carrying an equal Salary, I respectfully beg that the Government may be pleased to direct that his pay of 80 Rs. during his 4½ years Service as Shiristedar of the Palahally Court may be included in calculating his average pay for the grant of pension.

5. In the Government Proceedings Nos. 1031-32 dated 20th September 1888 the Dewan was pleased to grant a similar concession in favor of two officials of the Mysore Deputy Commissioners establishment.

I have the honor to be
Sir
Your Most Obedient Servant.

Ex-special Sub-Registrar of Mysore
Ex. to Srirangapatna

Honored Sir,

Under instructions contained in your Memorandum No 5-5 of the 20th April 1892 to the address of the District Registrar Mysore and communicated to me as per order No 25 of the 25th idem I beg to state that I this day submit herewith my service Register together with the particulars for verification

I was entertained into the Government Service at my 21st year on a monthly salary of Rs 8/- which was held only for four months after which was promoted to a Post of Rs 10/- and so got on up to Rs 80/- till 1875. Thus my approved Service in Superior Grades is more over 39 years. Under these circumstances it is nothing unbecoming for me to expect the highest consideration of the Government in lieu of my lengthy, uninterrupted and unblemished public Service, even barring the heavy and disastrous shocks caused by the successive reductions of 1875-79.

I am only sorry, not for returning, only to see the attitude of the Government is compelling me to do so, after giving a faint hope even without a previous warning

As

as provided for under Sec 284 of the Minor Service Regulation and so I was denied me an opportunity to represent my grievances which are far too many for me here to narrate. However Sir the main of this my humble application should be placed a few of them before your honor with the firm conviction and belief that my forlorn case will receive due consideration at least at this declining stage of my life.

So far back as 1870 I was posted on a monthly salary of Rs 80, as Shirastadar and Nazir to the Pala Hally Judicial Assistant Court where I gave entire satisfaction till its abolition in April 1875. Want of a suitable vacancy of Rs 80, at the time induced the Government to direct me to join the office of Nazir Sheristadar of Ranjangiri Sub-division, carrying only Rs 50/- with it. I have not been wanting in addressing the Government about the reduction in my pay for no fault of mine and its restoration. At necessary places at the annexed records will duly meet, Easily convince your honor the veracity or otherwise of my above statements.

My friendly misfortunes came in the way of my future progress and prevented me from ever attaining the goal of my ambition or first right. I held some temporary posts, once as an Amildar, at another time as

-Shandalar and Bazar of the Alleppee
Provincial Recibeur's Court, on a Third
Vacancion the Richhar of Pandiar,
on 4 salaries equal to Rupees 80
and Lastly to a Special First Class
Sub-Registrar of Alleppee on Rs 70/- which
last office was assigned for a fulltem
of thirty days, if I may be permitted
to say so.

I am aware Paragraph
No 1031-32 of the 10th September 1888 +
Government have been pleased to
sanction the issuance of Leave +
Allowance on the pay drawn prior
to the Introduction of 1879 and so
I am also one much affected
by such Introductions of 1875-& 1879
I therefore would respectfully request my
Case to Government for a
similar Concession as Hereinafter
shown to any Native officials who
have not had such a long Standing
Service. I must not the want of Space
for me here to invite your kind
attention to Secs 325- & 326 of the Service
Regulations which confers on your
Honour ample Appellate Authorities of
Recommending the long-felt Evil

As some difficulty or delay could likely
be occasioned in verifying the Service Register
or the like I hope I may be permitted to
produce Sanads &c to do the same at
an Early date as provided for under
Sec 470 Proviso (c) of the said Regulation

and thus enable your honor to see me the pension, on which I must entirely depend for my sustinance, drawn at the earliest convenient date.

As your honor have both officially and personally associated with me for a series of years, I hope that my prayer, deserving as it is, will meet with your kind approval and support.

In conclusion I respectfully pray your honor that, as no notice of discharge was given me, I may be allowed to get a monthly bonus of Rs 70 for the first three months and then a monthly supernumerated pension of Rs 40/- upon the average of my former pay of Rs 80/ and further pray your honor to pass an order enabling me to draw the pension in advance pending the sanction of the Government, till the pension Roll is given to me.

This kind and generous act cannot but prompt me to remain ever grateful and dutiful to your honor and family to the latest period of my life

I am

Your obedient servant

I have the honor to forward for favorable consideration with the accompanying pension Roll of A. Tirumalachar late Special Sub Registrar - Mysore, the application he has submitted addressed to you. From the perusal of his service Register his case deserves special consideration being shown. His prayer is that his pension may be calculated on his former pay of Rupees 80 which he drew for 4½ years from October 1870 to April 1875. I have no doubt you will be pleased to transmit his pension roll and his application to Government with your kind support and recommendation.

2 It will be seen from the history of his service that he has put in more than 39 years continuous service without break in several capacities. The several annual rolls put up with the roll for ready reference will as represented by Tirumalachar, afford

afford greater facility for the speedy verification of the roll in the Office of the Comptroller

3. I beg to submit that his request in the concluding para of the application is in accordance with section 287 of the Service Regulations which allows a bonus of 3 months pay when no previous intimation has been given of retirement from service.
